DESCRIPTION

This exceptional property located at 614 Tchoupitoulas Street, in the heart of downtown New Orleans, presents a unique opportunity to own a turn-key office building with a well-appointed two-bedroom owner's unit. Originally constructed in the 1850s, the property has undergone two extensive renovations in 1984 and 2004, blending historic detailing with modern convenience. All systems were replaced in 2004, and the roof was replaced in 2017. The office space spans two floors and features 14 private offices, a reception area, exposed brick walls, an abundance of natural light, a feature staircase, skylights, and original fireplaces. The two-bedroom third-floor apartment is impeccably maintained and boasts exposed wood trusses, a large rooftop terrace, a loft area, washer/dryer, and luxurious finishes throughout.

This property is ideal for an owner-occupant seeking additional income from the third-floor apartment, or for an investor seeking rental income from both the office space and apartment. The CBD-6 zoning allows for a variety of uses, including retail, office, restaurant, hotel, short-term rental, and more.
